

Comment #4 – 7/28/17 – 1:59 p.m.

I have reviewed the exposure draft for ASOP 42 and have the following comment -

Page ii - in the Table of Contents, for Section 3.2, the "P" in "Purpose" does not align with the first letter in the other sections.

Thank you for encouraging the actuarial community to review and comment on the exposure draft.

Sincerely,

Kelly McKeethan, FCAS, MAAA, CERA
